Last year Payson Water Company and its employees grossly abused the current Curtailment Plan and Tariff to harass and injure customers and extort large sums of money out of them without cause or justification or proof of any violation of the terms and conditions of the curtailment plan. They refused to haul water until the last minute and manipulated the posting of stages to issue violations under stage 5. They were not in compliance with the plan. They exceeded the terms and conditions of the plan and violated ACC Rules and Regulations. They will do the same again this year whether it is on the old plan or a revised one. The plan should be changed in only one way; DELETE THE FEES/FINES and don't legalize their extortion of excessive fees/fines from the customers.

Stop them from combining fees/fines with our usage bills and charging interest on
